Presbytery of East Tennessee

January 2022

Greeting PW Friends,

I hope everyone is doing well and that 2022 is off to a great start. It is time to prepare the **2021 PW Annual History Report**. I know that the last two years have been a challenge for PW when it comes to meeting and special events. Still, it is important to record the activities and mission efforts for your PW in 2021. Please fill out the form as best you can. Return your Histories to me no later than **April 1, 2022**.

Also, please prepare an attachment that records a brief history of your church/activities for the 2021 calendar year. In light of the pandemic, you might describe some of the new ways your PW have remained connected. This can include photographs of groups/events. Use your Session's Annual Report, PW minutes, Church newsletters and bulletins to help you get started on this history.

Three copies of your report are needed. Histories are preserved in a permanent archive at Columbia Theological Seminary. I collect one for PW of East Tennessee Presbytery, and you keep one for your church records. Your PW statistics are compiled with other churches in our Presbytery and sent to our Synod Historian.

Please send one report to:

And one to me no later than April 1, 2022:
